Dear Ms. Kase:

This is in reply to your letter of May 15, 2009. I apologize for the delay in my response.

Our position is that Yoga teacher training schools should be licensed. However, since there is pending legislation regarding an exemption, we are deferring any prosecutions at this time. The bottom line is that until an exemption is passed, licensing would cover teacher training.

If you have any questions, please feel free to contact me.

Sincerely,

Edward G. Kramer
Supervising Investigator
